Dennis...is someone available to convert the CIP to PDF and load to the web site? I just spoke to Trish and she's driving back from Dimock and won't be able to do this until next week. I can have a CIC convert the file if you'd like....let me know.

Trish, here's the final document (in Word format) approved per Shawn's note below. Please proceed with conversion to pdf and you are now free to post on-line the CIP as well as place a hard copy in the repository. Thanks for your efforts, dennis.

Shawn, attached is a revised version of the CIP capturing your comments from the last couple of days. I have personally reviewed the document to make sure all your changes were captured. Please let me know if we are good to post the document. Thanks for your review. Sorry for us not capturing your earlier concerns in the last draft I sent to you. Thanks, dennis.
